

What to Bring to Camp

Clothes for the season: make sure you have rain gear and extra clothes for the week, in case they get really dirty or wet. Sneakers & creek-walking shoes (not flip-flops—strap-on sandals, aqua socks, or an old pair of sneakers work well).

Toiletries (soap, shampoo, toothpaste & brush), towels, and a modest 1-piece swimsuit (modest tankinis are ok, per counselor's discretion), sleeping bag, & pillow.

Flashlight, Bible (literal translation, please), pen/pencil/notebook paper.

Please do not bring: electronic devices (MP3 players/i-pods/cell phones/video games), candy, or food—you'll receive plenty of food here!

Horsemanship Camps

An ASTM-SEI certified helmet is required for all riders under the age of 18. Bike helmets are not allowed. If you don't own your own, we have helmets you can borrow.

You will need boots that are properly fitted; cover the ankle; and have a hard, smooth sole with a ½ to 2 inch heel. Hiking boots do not qualify. We also have lots of boots you may borrow.

You will need to have a pair of jeans for riding.

Because of the limitations of the horses we have at this time, riders need to weigh less than 225 pounds.
